What People Say

Hear directly from our
community about the positive
impact of the summit

OTO

“We need more opportunities to connect with other founders, more community-based activities for engagement and sharing experiences”

HyperPay
هنايرباي

“The content was insightful, informative, and delivered by knowledgeable instructors. I highly recommend this program to anyone looking to take their startup to the next level.”

QUANT
DATA & ANALYTICS

“The masterclasses have been sublime. It has been eye opening, actionable and definitely the best course for business scaling that I personally ever took”

MRSOOL

“The xto10x masterclasses gave us practical insights that we could immediately apply to Mrsool, and the impact has been truly transformative.”

FOODICS

“It has been excellent experience and looking forward to having many more.”

INTRODUCING

NEONEXUS SUMMIT

Building Global Frontiers

Join our summits in Silicon Valley, London and Riyadh and get connected to the most exclusive network of investors, decision makers and technology founders.
